# ABOUT THE CLUB

## OBJECTIVES OF THE CLUB

- To arouse love and responsibility towards nature.
- To create an awakening in the young minds for preserving and conserving natural.
- To motivate the students to keep their surroundings green and clean.
- To promote the ethos of conservation of water by minimizing the use of water.
- To motivate the students to imbibe habits and life style for minimum waste generation.
- To educate the students to create awareness amongst public and sanitary workers.
- To create a 'clean and green consciousness' among students.

*There is sufficiency in the world for man's need but not for man's greed.*

- Mohandas K. Gandhi<sup>1</sup>

Constituted on these lines, the Eco Club at Army Institute of Law is a body of resolute students and teachers committed to bring about a green reform in the campus. The club's goal is to create a sustainable ecosystem in the institute by raising awareness and encouraging eco-friendly habits among students and faculty.

Founded to deal with all environment related concerns of the institute and to put in action simple yet relevant measures to solve them, the club stands by its motto-

***"Sustainability Starts with Us."***
