

“Go Green Breathe Clean”
Poster Making Competition

AIL Eco Club organised its first activity in the Multi-Purpose Hall, which was a poster making competition on the theme of “Go Green to Breathe Clean” on 9th February, 2023 in which students participated to spread awareness, regarding the significance of inculcating green habits in one’s life to live in a healthy environment and a better future, through beautiful and meaningful posters.

Eleven students participated in the competition, who were:

1. Kanav Aukta (2241)
2. Kashish Kochar (2101)
3. Sachin Budwar (2128)
4. Priya Choudhary (2149)
5. Simran Yadav (2175)
6. Shruti Bharti (2188)
7. Himanshi Kaushik (2191)
8. Devmani (2198)
9. Simran Singh Rathi (2003)
10. Priyanka (2018)
11. Ayushi Tyagi (1820)

The winners of the competition were:

Winner: Simran Singh Rathi (2003)

Runner up: Priyanka (2018)

Second Runner up: Himanshi Kaushik (2191)

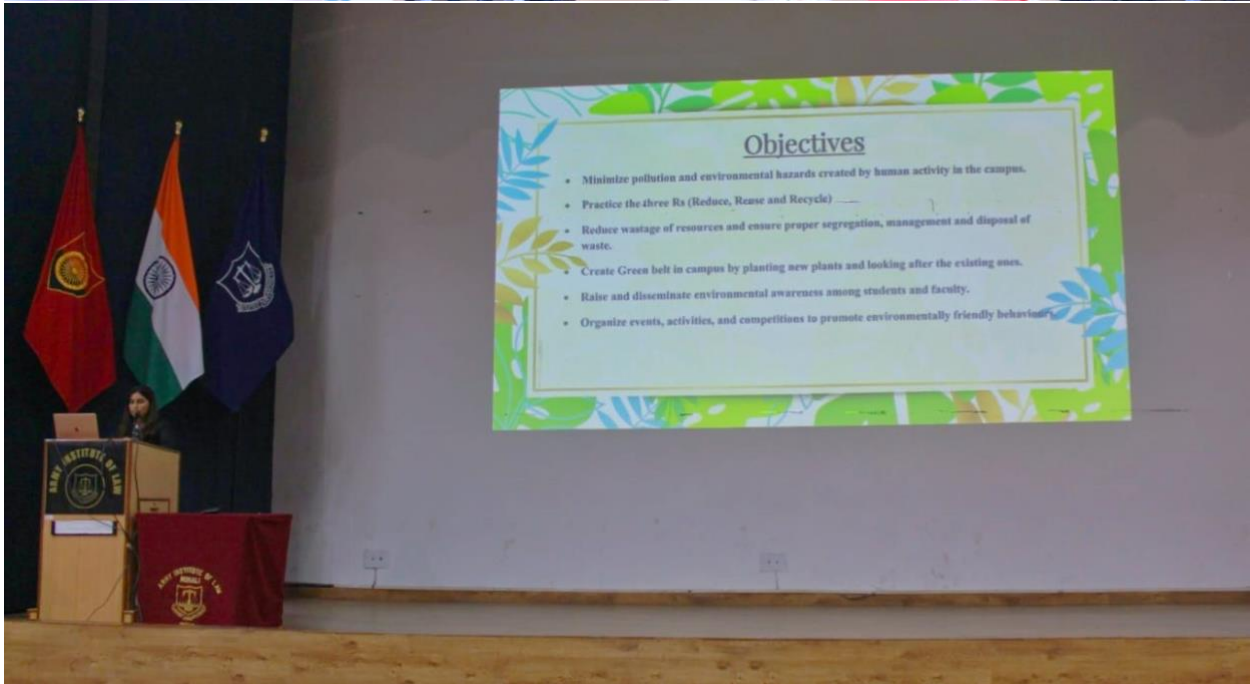

The new-founded club took this opportunity to introduce itself in front of the institute and put forward it’s ideology of how change starts with an individual with a presentation. A quiz on ecological themes was also conducted to build the interest of the student and faculty in the environment around us.

The winning Posters:
