ARMY INSTITUTE OF LAW, MOHALI

AIL ECO CLUB

On the momentous occasion of India's 79th Independence Day, the Army Institute of Law organized a vibrant celebration filled with patriotic spirit and enthusiasm. The event, hosted by the AIL Eco Club, showcased a rich blend of cultural and environmental activities, including inspiring speeches, melodious patriotic songs, moving recitations of poetry, and initiatives dedicated to environmental awareness. The programme brought together students, faculty, and staff in a collective expression of unity, pride, and gratitude towards the nation.

The ceremony commenced with the Principal unfurling the national flag, accompanied by the singing of the national anthem. This solemn moment reflected the deep respect and love that the AIL community holds for the country and its values of freedom and sacrifice.

As part of our commitment to a sustainable future, several saplings were planted across the institution's campus. This endeavor was undertaken to inspire students with a sense of environmental stewardship. The Independence Day celebration at the Army Institute of Law proved to be a remarkable success, reflecting the values of patriotism, solidarity, and ecological awareness. It left a lasting impression on everyone present, reinforcing not only the significance of our nation's hard-earned freedom but also our shared responsibility to safeguard and nurture it.

Sapling Plantation being done by Faculty and Students.
